*To whom it may concern.*

re. PASTOR YVONNE ANKER

*In reference to her ministry at our church I can just say: She is no pretender and she does not hesitate to do what she believes the Holy Spirit instructs.*

*Yvonne's approach to ministry is open and straight forward. It may stall the preservative, but is indeed a fresh breeze to the seeker for deliverance out of tradition. The healings that took place and the deliverances from demonic powers is the fruit of an anointed and powerful ministry.*

*She is indeed radical and different, but not to her own advantage.*

*With sincerity*

Sarel Rudolph

Senior Pastor.
